Comments On The Proposal...
i submitted my application previously ,nothing has changed if the road was
opened up it would become
a rat race cars trying to cut though and would be dangerous to the public and
other vehicles, the space
on the roads cannot cope with large amount of traffic the road coming onto new
market road is on a
blind spot and dangerous , also horses use this from daisy nook which they have
used for years and why
should this have to be stopped for them as they cannot use this with the cars
which would be coming
through , children use this as a walk through to school, this cannot go ahead as
this will affect daisy nook
walkers as they pass my house
