Planning Application Number: 18/00119/FUL Date Of Application: 12/02/2018
Proposal: Construction of 5 No. detached houses and associated works
Site: Land South of
Grove Street
Ashton-Under-Lyne
Tameside

Comments On The Proposal...
not only are you building houses on the childrens playing field behind my house
you now want to open
up grove sreet to allow access for the building contractors and make it
permanent which will create a
ratrun from Newmarket road through grove street onto the estate this act alone
will stop children from
playing out in this area the people who building these houses do not even live
in Tameside and do pay
rates or are even interested in ashton , the way I see it is the council and
the people who without any
interest for the well being of the ratepayers and ashton people have just
accepted their 30 pieces of
silver and I hope this is reflected in the next loca elections . yours very
unfaithfully [REDACTED]
