Tameside

Comments On The Proposal...

The new proposal will lead to car drivers using Grove Street as a Cut Through or Rat Run without some form of barrier at Lindisfarne Road.  
The increased volume of traffic will also cause traffic problems where Grove Street meets Grovewood Close.

On occasions we have had to call for an emergency ambulance to attend our property and some on the sat navs send them around the back of the estate. If access is allowed from Lindisfarne Road onto Grove Street this will increase the volume of traffic using Grove Street which is far too narrow.
