Comments On The Proposal...

Please enter details...with reference to the above planning application. My house backs onto the proposed new road. This will no doubt give rise to a series of problems.  
1. Fumes and noise which will make it not pleasant to sit in my garden affecting my health and wellbeing.  
2. The road is not wide enough, will this allow for a public pathway that is safe.  
3. [REDACTED] we know only too well the dangers and have indeed witnessed accidents. This will only make the situation worse.  
4. I fear for the children crossing Grove Street with cars entering Grove street as this is also a blind bend.  
5. In 1981 Grove Street was not allowed to be used as access to build Grovewood Close.  
6. This will become a rat run without doubt.  
7. Why have you been allowed to sell off our children's open space play area. Children need to be within distance as society today poses many dangers.  
8. Who's managing the land. It has already become a rat infested eyesore.
