Comments On The Proposal...

We understand that the area to the rear of our house will continue to be used as a public space with the new people being responsible for the upkeep. There are a number of trees at the rear of our house, some of which are very tall. We have asked the council on a number of occasions to remove them as we feel they restrict the light onto our land and are a danger to our boundary as they are within feet of the boundary. Will the new landowners remove these trees?.
