Planning Application Number: 18/00119/FUL Date Of Application: 12/02/2018
Proposal: Construction of 5 No. detached houses and associated works
Site: Land South of
Grove Street
Ashton-Under-Lyne
Tameside

Comments On The Proposal...
I am concerned that once again TMBC is ignoring the status of protected green space. whilst the need for housing is understood this development is not of the affordable sort required. What is more the plans do not adequately allow for the traffic and cars that will come with the new housing. It is incredibly short-sighted to permit a plan that encourages more traffic and parking.
Most seriously the removal of green space further reduces opportunities for exercise and clean air.
What sort of place do you want tameside to be?
