RFI-2368-21 – CORONAVIRUS CASES AMONGST SCHOOL STAFF

1. Please could you provide the rate of confirmed coronavirus cases amongst school staff for each week in November and December?

Please refer to the data contained within the table below

2. I would like you to split the figures into primary, secondary and special schools if possible.

Please refer to the data contained within table below

3. In addition, I would like you to split them into staff category: teacher, teaching assistant, support staff and auxiliary staff if possible.

In accordance with s. 1 (1) (a) I can confirm that the information requested in this part of the request is not held by Walsall Council. The reason for this is that, whilst it would be quite difficult to accurately capture this data the council is not subject to any legal and/or regulatory obligation requiring it to do so and does not see the purpose in doing so.

Accordingly, a response to this part of your request for information is refused.

In accordance with section 17 FOIA, please consider this as our notice of refusal on the basis that the information requested is not held (s.1 FOIA)
