Hello

Hope all is well. I received your response to someone in Brent who signed up the #StopTheTrafficTide petition. It wasn't clear when this was sent.

Anyway, just to confirm that we have replied to the draft document in this post:  
<https://www.brentcyclists.org.uk/2020/06/12/our-response-to-brents-draft-covid-19-transport-recovery-plan/>

We've also provided information over the different interventions proposed as people have been asked to comment on them and there is a lot of misunderstanding and misinformation going around this.  
<https://www.brentcyclists.org.uk/2020/06/14/what-are-covid19-emergency-measures/>

And we have suggestions for cycling and walking on the [Widen My Path](#) map which now has the DfT Cycleway Prioritisation Tool embedded in it.

Emails from residents reporting levels of traffic back up if not worse than it was, are coming in more regularly now :(

Thank you

Kind Regards
