Alex

We've heard nothing from any of the residents at all

BT and Gas have completed their works in Forest Road, and the trench across our site with ducts is due for completion this week. We await Thames Water completing their works in Forest Rd. BT and Virgin will connect after TW. We anticipate completion of all works by 31 July

Regards

Peter

Hi Peter,

We are currently progressing with planning design – have you heard anything from local residents or councillors directly since the consultation?

Thanks for the update on services – have you got a date from BT as to when they are planning to move the fibre optic cables?

Many Thanks

Bob, Alex

I wonder if you could update us re timing of the submission of the planning application for the Spruce Hills Rd land please.

We haven't heard anything further from any of the residents since the meeting on 25 May; however I imagine we will receive some communication in due course.

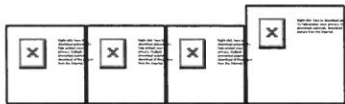

In meantime we are progressing with the services relocation – subject to final confirmation from Thames Water we anticipate completion of the works by 31 July

Thanks

Regards

Peter
