Proposal	Proposed instillation of 4x storage units on triangle field, hungerford. Change of use of land from recreational and amenity to storage for theatrical equipment.		
PSBP	Yes/No (delete accordingly)		
Potential Impact			
<p>According to a local website, this site accommodates 3 rugby pitches, 2 football pitches and has 4 changing rooms. A local theatre company is proposing to change the use of land at the Triangle Field to accommodate some storage containers for a local theatre group. The development does not appear to be any impact on the main pitch area or the car park. Potentially this area could be used for car parking in the future, but there is plenty of room on the site to accommodate parking if it was needed.</p>			
Advice Sought			
<p>UPDATE; The Applicant has now put forward a plan showing the containers and improvements to the car park.</p> <p>Sport England therefore intends to remove our objection to the proposal as our original concerns have been addressed, ie. The Applicant is now showing improvements to the car park layout whilst maintaining the required Community Theatre storage.</p> <p>Please could you let me know if you have any further comments?</p>
