Thanks [REDACTED] I've spoken to [REDACTED] and let her know it was a mistake on the comms end, and that we are very sorry for the mistake.

I've also let her know that the new script is being hammered out, and that you'll be in touch to share it with them once its been agreed. I think they're ok about it (though CG is apparently very unimpressed), and appreciated the quick reaction.

Have let [REDACTED] know in case there is any communication between private offices. She did make sensible suggestion that it might be more sensible to delete the video so this can't happen again in the future.

Thanks,

[REDACTED]

FYI. I've just spoken to [REDACTED] and it is something to do with updating the Youtube channel to move the Tribs videos onto the main channel. Apparently that somehow unhid the video. [REDACTED] is going to send through details of how it has happened. It would be useful to have any feedback from your conversation with [REDACTED]

thanks

Kevin - Can we discuss asap - we might need to alert JDs office.

[REDACTED] - [REDACTED] is looking at this urgently as we certainly didn't ask for it to be put it back up. Will get back to you asap.
