Hi Will

I have requested the drawings, just haven't received them yet. The experts won't like what they see; the original scheme which would cost around £500k was never achievable with or without Cycle Colchester funding. The revised plans are very much a cheaper alternative, but do provide an off-road route between Wivenhoe and the University.

Both schemes will require land purchase [REDACTED]

I'll chase up the plans and you can see what I mean.

Regards

Subject: Wivenhoe route

Hi Rosemary

Trust you had a good night's sleep. Wondering if you can let me have PDFs of the drawings for the Wivenhoe bike route? It may not go down well with the engineers, but can we run them before an expert in segregation - David Hembrow or Dutch consultancy - before going much further?

Have good meeting in Harlow.
