Hi Tara

Please could you check these before I send them to a "responsible adult"? I couldn't remember what the Hythe Hill one was, but thought it may be the one Jan was completing....so I have left it blank for you to fill in.

I haven't changed the Saffron Walden on either as you had the scribbled on one. Do you want a revised mandate or will you issue a scheme brief based on the original and notes you took in the meeting?

Thanks
