Hi Tara

It's a bit of a wild goose chase trying to find anything out at the moment! Anyway the area implementation plans will be developed over the next six months to start delivery from April 2012. So currently there is no priority funding for this scheme, but neither has anything else.

Regards

Hello Rosemary,

Please see e-mail below from Cllr Julie Young regarding the priority for funding of the cycle route between Essex University and Wivenhoe. Realistically where does this scheme stand? In our new set up I'm not sure who is the best person to respond, but if you let me have any information that you have on priority and LTP3 I will go back through Jennifer.

Thanks,

Tara

Hi Steve

I wondered if anything can be done to try and get funding for a cycle path between Wivenhoe and the University?

Thank you.

Angela
