Hi [REDACTED]

My blood boils every time Greenwich Time is delivered to my door.

My council tax is high enough. I hate funding a council sponsored rag that is so biased in favour of the council.

I hate funding this rag that keeps local civil servants in work at the expense of private local newspapers that struggle to make a living.

Where the Secretary of State sees such abuses of council power he/she should be able to order the ending of such nonsense.

I am all in favour of the proposals.

Kind regards
Tom
