Subject: RE: Presentation to Derbyshire County Council Members - 19 March 2012 (Surface Mining Hilltop Farm)

Hello David,

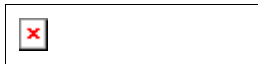

Thank you for confirming the details of the presentation. I will coordinate with Provectus and come back to you in the near future regarding the details of the presentation.

I will also give you a call in the next few days to catch up on any updates regarding the Scoping Opinion and the request for pre-application feedback.

In the meantime, please do not hesitate to give me a call should you have any queries.

Regards,

Christian Smith, (MRTPI)

Subject: Presentation to Derbyshire County Council Members - 19 March 2012 (Surface Mining Hilltop Farm)

Hello Chris

oposed Surface Mining of Coal on Land west off the A61, Hill Top Farm, Clay Cross, Monday 19 March 2012, 3.30, Committee Room 1, Derbyshire County Council.

You have confirmed that you would like to present your proposals to the County Council's Local Members; so they are given the first opportunity to understand the details, potential impacts and the benefits the scheme may have on the local community and environment. The County Council is moving towards a Development Management approach in dealing with planning applications; in particular for those schemes that are major and complex. The change in approach involves several things: one of these is to engage the County Council's

Local Members at the pre-application stage.

You are scheduled to present on Monday 19 March at 3.30pm – coal extraction through Surface Mining at Hilltop Farm. Please can you report to County Hall reception at about 3.00pm, which should give you enough time to set up your plans / presentation. I have booked Committee Room 1 and boards will be available to display your plans (Please let me know if you need PowerPoint).

Please find attached a location plan of County Hall, Matlock, which I think is self explanatory. Our main car park tends to remain full throughout the day, so you may struggle to find a space. There is a pay and display carpark at the bottom of Bank Road, near to Matlock Town Centre, if you run out of options.

With regards

David
