<p>Had a word with Ros and advised that it would be just a donation from the theatre company to the party, If the party has had anything to do with putting on the production then some costs might need to be accounted for by the party in their accounts but not in campaign expenditure, Literature if essentially promoting the candidates will need to be accounted for upon honest assessment.</p>	Yes		29/01/2010	Natalie Syers		Green Party [The]		11:42:00 AM	29/01/2010	Telephone
<p>30/03/2010 - said that the video was doen using personal equipment and if volunteers himself then its onlythird party if not done in conjunciton with Green Party. If it is done inconjunction it would be notional expenditure etc but likely below threshold.</p> <p>Also informed him that as long as flyers were done not in conjunction with Greens and quite spearate then don't need to account for it as campaign expenditure.</p>	Yes		31/03/2010	Natalie Syers		Green Party [The]		4:55:00 PM	31/03/2010	Telephone
<p>I advised that we are happy to receive this information in an Excel document, or as an Excel sheet printed out as long as al the ifnformation requested on the form for each entry is included. She asked why we don't produce Excel docs I said because we are happy for parties to provide this information in their own excel document anyway.</p>	Yes		27/07/2010	Natalie Syers		Green Party [The]		1:45:00 PM	27/07/2010	Telephone
