Dear Mr Silverman

I am writing to confirm that we have now completed our search for the information, which you requested on 10 February 2015.

A copy of the information is attached.

In keeping with the spirit and effect of the legislation, all information is assumed to be releasable to the public unless exempt. We may therefore be publishing the information you requested, together with any related information that will provide a key to its wider context, via the Gov.uk website.

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:

<https://www.gov.uk/government/organisations/highways-agency/about/complaints-procedure>

If you require a print copy, please phone the Highways Agency Information Line on 0300 123 5000; or e-mail ha_info@highways.gsi.gov.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:

Information Commissioner's Office

Dear Sirs

Adequate sheeting of Vehicles – HGV registration starting WX63.

We are the Service Provider responsible for the maintenance of the M32 on behalf of the Highways Agency.

We received a report that one of your vehicles (part registration above) was shedding large amount of paper and plastic from its load due to the vehicle not being adequately sheeted. The incident occurred at 09.30hrs on 4th August 2014 on the M32 heading into Bristol between junctions 1 and 3.

We keep a record of any reports such as these and pass the details onto the operating companies because there is a significant risk to both our workforce working on the motorway network having to pick this litter and the travelling public in avoiding it as it is spread from your vehicle, the aesthetic impact to the environment. Not to mention the financial burden on the cleansing operations and associated traffic management.

Also, had a police officer observed this occurring they may issue your driver with a £60 fixed penalty for having an "unsecured load causing nuisance" under Section 100(2) of the Road Vehicle Construction and Use Regulations of 1986.

We would appreciate a response detailing the actions you have taken to prevent any future re-occurrences.

Yours faithfully,

Stephen Pearson
Area VFM Engineer (North)
