Subject: Bath Package Project Board Meeting

My apologies everyone. Due to an error on my part I am going to have to change the date of this meeting to the morning of the 8th November from 9.30 to 12.30. The meeting will be in meeting Room 10 at Riverside.

Could you please advise Joy Jefferys if a deputy will be attending in your place.

Many thanks and once again apologies, I hope it doesn't cause too much inconvenience to you all.
