Dear Sir,

Freedom of Information Act 2000 (FOIA)
Request ID: REQ08055

Thank you for your request for information relating to Coundon Hall Park

Your request and our response is below:

- 1. Total £ cost for the purchase, installation and subsequent removal of the Equality Act 2010 non-compliant 'Kissing Gate' barrier that was installed in Coundon Hall Park at the pedestrian entrance/exit on Waste Lane closest to its junction with Brownhill Green Road. (Installed late 2019 or early 2020, replaced approximately October 2020).**

The kissing gate installed is a standard kissing gate and not considered to be 'Equality Act 2010 non-compliant'. The cost for purchase and installation of the gate was £1610.

- 2. Total £ cost for the purchase and installation of the Equality Act 2010 compliant K-Frame motorcycle barrier installed at the same location as above (installed in approx. October 2020)**

The K-frame is a standard product and the Equality Act 2010 does not apply to it as such. The cost for removing the original kissing gate and replacing it with a new K-frame cost £1397.

- 3. Total £ cost of repairs carried out to areas of the park allegedly damaged by unauthorised motorcycle and quadbike use in the year 2019.**

It is not possible to provide a cost for the repair to the areas of the park damaged by unauthorised vehicles (inc motorbikes and quad bikes) as the repairs were carried out inhouse during routine maintenance visits.
