Dear Ms Last

Thank you for your Freedom of Information Request which the College received on the 28th February 2019.

In answer to your request:

How much has your organisation spent on chartering or hiring helicopters or other aircraft in the past 6 years. Please provide a breakdown of costs per flight and flight departures and destinations.

The College has chartered a helicopter once in six years and has never chartered any other aircraft.

The cost was £1620.00

The flight was a return flight from Hadlow to Betteshanger.

Yours sincerely

Dr L Pamphilon

Group Vice Principal, Quality, Standards and Performance
