Dear Ben Addison,

### **Freedom of Information Act 2000**

Thank you for your request for information about estimated costs of issuing all variations of rod licenses.

- all the costs of the licenses, per license issued, including the costing of administration, materials, resources etc.
- to know the projected estimated cost to the department of the licenses annually in total?

Your request was received on 15 August 2019 and I am dealing with it under the terms of the above legislation.

The leaflet enclosed tells you about the legislation and the procedures I will follow in handling your request.

In some circumstances a fee may be payable but if that is the case I will let you know the likely charges before proceeding.

If you have any queries about this letter, please contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely,
