Dear Joe Kilker

I am pleased to provide a response to your request for information, received on 7 November 2019:

**Please provide any documentation relating to the county council's policy on replacing barriers, especially in light of 'limited resources', as referred to below by Steven Hill.**

**'Thank you for your email regarding the pedestrian barrier which was previously located outside British Halal meats, Ryecroft St., Gloucester and the time scales to replace the barrier.**

**'Gloucestershire County Council's policy states that replacement barriers or bollards are now only permitted where there is a known safety issue which is supported by data and evidence, this is due to the ongoing maintenance liability placed upon the Council with limited resources. Double yellow lines are provided to manage on-street parking, and may also deter pavement parking. If you have any concerns with illegal parking on double yellow lines or the obstruction of the highway, I would advise you contact either GCC Parking services to enforce the yellow lines, or the Police where an obstruction is being caused as they have the sole legal power to carry out enforcement.'**

Please find this information attached.
