Dear Geof Emmett

I refer to your request where you asked:

"Freedom of Information request - Covid-19

Dear Prime Minister's Office,

Please supply the following on Covid-19

- 1. Is there an electron micro-graph of the pure and fully characterised virus (SARS-CoV-2)?*
- 2. What is the name of the primary specialist peer reviewed paper in which said virus is illustrated and its full genetic information described?*
- 3. What is the name of the primary specialist peer reviewed paper which provides unequivocal proof that the 'Covid-19' virus is the sole cause of a particular disease?*
- 4. Where is (if there is proof of SARS-CoV-2) its antibody test that fulfils the Koch postulates and has a false positive below 30%; that can confirm being infected by*

SARS-CoV-2?

Should I not hear from you within 20 days with full answers to the above points, everyone will be entitled to assume that 1, 2, 3 & 4 are not proven to exist, and that there is no true scientific evidence for the virus causing 'Covid-19'; and that all related legislation are null and void."

I am writing to advise you that following a search of our paper and electronic records, I have established that the information you requested is not held by the Cabinet Office.

You may wish to try contacting The Scientific Advisory Group for Emergencies (SAGE) at this link sage@go-science.gov.uk, or Department for Business, Energy & Industrial Strategy at this link: enquiries@beis.gov.uk, who may be able to help you with your request.
