Dear Ms Jones

Thank you for your request for information under the Freedom of Information Act, received on 9th July 2021, reference number **FOI 21-300.**

How many people aged 55 and under died of Covid in the Aneurin Bevan Health Board from March 2020 till March 2021.

I can confirm that the Health Board reports every death in our hospitals to Public Health Wales (PHW), this includes all causation factors. Public Health Wales will then perform statistical alignment meeting the definition of a COVID death and the patient place of residence as some of the Health Board area residents may die in other hospitals outside of the Aneurin Bevan Health Board responsibility. All Health Board deaths data is reported on the Public Health Wales website and in the Office of National Statistics (ONS) data.

Please refer to PHW website and PHW for further information via the following link below:
