Dear Mr Bourne

I write in response to the above-referenced Freedom of Information Act (FOIA) request submitted on 13 July 2017. Thames Valley Police has now considered this request, which for clarity, has been repeated below:

<u>Request</u>	<u>Response</u>
<p>I would like to have a breakdown of all reported crimes at Reading festival for the last 5 years. Please provide the data in a csv or excel file. If 5 years is not available please give me the most recent years that are.</p>	<p>Please see the attached data sheet contains the results from our crime recording system where the premises name field was recorded as 'Reading Rock Festival'.</p> <p>This will not include crimes that were logged under other locations because they were reported on the way to or from the Festival or after attendees or staff returned home, or happened in the vicinity of the festival but were recorded under a different address.</p>
