Notes

Figures represent the number of crimes recorded during the period which;

- were not subsequently cancelled
- had one or more suspects linked who were aged 10 or under at the time of the offence

'Town' is the location on the crime record or is the policing district if town is not available

An offence may have other linked suspects that are 11 years old or over

Years are complete calendar years, except for 2017 which covers January to October

Figures are subject to further investigation, reclassification or cancellation, and may change over time
