305/20 - FREEDOM OF INFORMATION REQUEST

Dear Sir/Madam

Your request for information has now been considered and the information requested is provided below.

Request/Response:

Please treat this email as a Freedom of Information request.

1. I would like to receive a copy of the complete current local authority Register of Interest for all elected politicians in a machine-readable spreadsheet format such as a CSV file, including any additional information that may not be published on your website. If you hold records relating to historical registers of interest for current and former elected politicians I would be grateful if you could also supply them.

Answer: Rutland County Council does not hold the Register of Interests in a machine-readable format. However, the information is available at the following link:

<https://rutlandcounty.moderngov.co.uk/mgMemberIndex.aspx?bcr=1>.

Click over the name of the councillor. Under "More information about the councillor" click on the "Register of Interests".

If the information is required in another format, please contact Rutland County Council on foi@rutland.gov.uk.

2. I would also like to receive a copy of the complete current local authority Gifts and Hospitality Registers for all elected politicians in a machine-readable spreadsheet format, including any data that may not be published on your website. If you hold historical records of gifts or hospitality received for current and former elected politicians I would be grateful if you could also supply them.

Answer: All gifts and hospitality for Councillors are declared and included in their Register of Interest form. Please see the link provided in the answer to Question 1.

3. Lastly, if you hold a separate register of interests that records those declared at meetings, please also supply that register in a machine-readable spreadsheet format. Again, if you hold historical records of declarations that may not be published on your website, please supply details.

Answer: Rutland County Council does not hold this information in a machine-readable format, but the information is contained within the minutes of each meeting, should a declaration have been made at the previous meeting. The information is therefore available at the following link:
