Hi Siwan

[REDACTED]

[REDACTED]

Several blogs have now appeared about the possibility of bringing corporate manslaughter charges against TfL. Whilst even speculative talk about doing this seems to be premature in the extreme before the police have investigated the circumstances of the fatality and the coroner has considered the death at an inquest, the proposal to do so is obviously causing a stir.

The following is the link to the main website suggesting corporate manslaughter – there are several posts on the same website.

<http://www.kingscrossenvironment.com/2011/10/kings-cross-dangerous-roads-update.html>

Thanks

Nigel
