Dear Mrs Newsom,

For clarification, we need to provide you with responses for;

- FOI001062 (& Internal Review)
- FOI001063 (& Internal Review)

As explained, due to the size of the information that falls within the scope of your requests we are unable to send the information via email. We have spoken to What Do They Know we are unable to find a way to get the information onto their website.

Section 11 of the Freedom of Information Act does require a public body to take into account a requestor's preference as to a means of correspondence and we have tried to comply with your preference however in this instance it is not possible.

We can offer to send the information to you by providing it on a disc or in the post. If you would prefer another method please let me know and I will see if it can be done.

I also note that we have one more request from you which is RFI2507, we are processing this one at the moment and seeking the information from the department.

Let me know if you believe there are any others which are outstanding.

I apologies for the delay you have been experiencing with this service.

Kind regards,
Louisa
