Dear Emily Silcock,

Thank you for your Freedom of Information (Foi) requests received on 4, 5, 6, 8 and 11 September. The reference numbers and an example of what you wrote is below:

Housing Benefit (HB) daily applications for 2020, 2021 2022 (3 requests)

FOI2023/67708, FOI2023/67709, FOI2023/67713

“Could I please have the exact same data as FOI2023 38880, but for 2022 instead of 2019?

Link to FOI2023 38880:

https://www.whatdotheyknow.com/request/daily_number_of_applications_for_4#incoming-2336171”

Universal Credit (UC) daily applications 2020, 2021, 2022 (3 requests)

FOI2023/67701, FOI2023/67704, FOI2023/67706

“I would like to request the number of applications made for Universal Credit, at a daily level, for each day in 2022.

To be clear, I would like the total number for each day separately, so a sample dataset could have every date in 2022 in the first column and the applications in the second column. The date should be the date that the initial application was made, not the date of the decision - and I would like all applications, whether or not they were successful.”

UC daily applications 2013 to 2022 – England (11 requests)

FOI2023/68188, FOI2023/68192, FOI2023/68193, FOI2023/68199, FOI2023/68201, FOI2023/68203, FOI2023/68205, FOI2023/68206, FOI2023/68208, FOI2023/68483, FOI2023/68485

“I would like to request the number of applications made for Universal Credit, at a daily level, for each day in 2020, only including those applications that were made in England.

HB daily applications 2010 to 2021 – England (12 requests)

DWP Response

We can confirm that we hold the information falling within the description specified in your request.

Section 12(4) of the FoI Act and also the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 provides that requests can be aggregated for the purpose of estimating whether the cost limit applies, providing they relate to any extent to the same or similar information and the requests are received from the same individual or different persons who appear to the public authority to be acting in concert or in pursuance of a campaign.

This is where more than one request has been made within 60 consecutive working days relating to the same or similar information and the requests have been made by the same person. This includes adding to the estimated costs of complying with a later request, the cost of complying with a request that has already been answered. We have therefore aggregated the following requests under this provision:

Housing Benefit (HB) daily applications 2010 to 2022 (not including 2019) (12 requests)
FOI2023/51556, FOI2023/51558, FOI2023/51565, FOI2023/51571, FOI2023/51574, FOI2023/51576, FOI2023/59338, FOI2023/59343, FOI2023/59351, FOI2023/67708, FOI2023/67709, FOI2023/67713

Universal Credit (UC) daily applications 2020, 2021, 2022 (3 requests)
FOI2023/67701, FOI2023/67704, FOI2023/67706

UC daily applications 2013 to 2022 – England (11 requests)
FOI2023/68188, FOI2023/68192, FOI2023/68193, FOI2023/68199, FOI2023/68201, FOI2023/68203, FOI2023/68205, FOI2023/68206, FOI2023/68208, FOI2023/68483, FOI2023/68485

HB daily applications 2010 to 2021 – England (12 requests)
FOI2023/69015, FOI2023/69017, FOI2023/69020, FOI2023/69023, FOI2023/69036, FOI2023/69044, FOI2023/69051, FOI2023/69052, FOI2023/69472, FOI2023/69474, FOI2023/69476, FOI2023/69478

We estimate that the cost of complying with your aggregated requests would exceed the appropriate limit for central Government, set by regulations at £600. This represents the estimated cost of at least one person spending 3½ working days (equivalent to 24 staff-hours) in determining whether the Department holds the information, and locating, retrieving and extracting it.

Under Section 12(4) of the Freedom of Information Act the Department is not therefore obliged to comply with your requests as we have aggregated the cost of processing them together and as such, we will not be processing them any further. The time already spent on providing the information requested, together with the time to provide the newly requested information and then the time to produce additional breakdowns for England grossly exceed the cost limit. For information, the only geography readily available for applications is postcode area or district but as these do not align with country borders, we are unable to breakdown statistics on applications to just England within the cost limit.

Under section 16 of the FoI Act we should help you narrow your requests so that they may fall beneath the cost limit. We will consider afresh any revised request however we cannot guarantee that any revised request will fall within the cost limit.

We feel that you should limit your requests to ask for information on applications in Great Britain. Furthermore, we suggest that in future, instead of submitting multiple individual requests over several months you please submit one request covering all aspects you wish to cover. In this case we suggest you ask for:

1. The number of applications made for Universal Credit in Great Britain, at a daily level, for each day in 2020, 2021 and 2022.
2. The number of applications made for Housing Benefit in Great Britain, at a daily level, for each day in 2020, 2021 and 2022.

If you have any queries about this letter, please contact us quoting the reference numbers above.

Yours sincerely,

DWP Central Freedom of Information Team
Department for Work and Pensions
