Dear Emily Silcock,

Thank you for your Freedom of Information (Fol) request received on 19 May. You wrote:

“I would like to request the number of applications made for Personal Independence Payment, at a daily level, for each day in 2019.

To be clear, I would like the total number for each day separately, so a sample dataset could have every date in 2019 in the first column and the applications in the second column. The date should be the date that the initial application was made, not the date of the decision - and I would like all applications, whether or not they were successful.”

DWP Response

We confirm that we do hold the information you have requested.

A copy of the information is provided in the attached Excel file the format requested. The table shows the number of Personal Independence Payment (PIP) registrations made on each day in 2019 in England and Wales.

Source: PIP Atomic Data Store (ADS)

Notes:

- Figures have been rounded to the nearest 10;
- Figures are for England and Wales only;
- Figures include claims made under normal rules and special rules for terminal illness and include both new claims and Disability Living Allowance (DLA) to PIP reassessment claims;
- This is unpublished data. It should be used with caution, and it may be subject to future revision.
