Dear Mr Lloyd

**Ref No: [WECAFOI0208]**

Thank you for your e-mail of 23 March 2022 requesting the Authority carried out an internal review of your Freedom of Information response dated 23 March 2022. You requested the Authority carry out a review of your response as follows:

I am writing to request an internal review of the West of England Combined Authority's handling of my FOI request 'Dan Norris - expenses/register of interests'.

In section 4 the land and property details are redacted. Please provide an un-redacted version of that section.

I am treating your correspondence as a request for information under the Freedom of Information Act.

The Director of Legal Services has reviewed the information and concluded that the information requested should not be made public by virtue of S32 of the Localism Act 2011 in that the publication of the Mayor's residence revealing his address in the register of interests could lead to the Mayor being subject to violence or intimidation. Any such interest entered in the authority's register that are made available for inspection, and any published version of the register, must not include details of the interest such that his address can be identified.

If you are not content with the outcome of the internal review, you have the right to complain to the Information Commissioner. Details of your right to complain can be found at <https://ico.org.uk/concerns/>.
