

You requested the following information:

1 - Please supply figures for the number of dogs seized as a banned breed type under the Dangerous Dogs Act during 2016. Please also supply figures for each of the above from 1 January 2017 to 1st July 2017.

2 - Please also supply the number of dogs seized as a banned breed type who were returned as "not type" prior to any court proceedings for the same time period.

3 - Please supply figures for the number of dogs seized as a banned breed type who were found not guilty in a court for the same time period.

Unfortunately, West Yorkshire Police are unable to provide you with the information requested.

For the period requested there were 245 dogs seized as banned breeds, in order to establish whether or not they were in fact 'typed' would involve a manual trawl of all records. At an estimate of 15 minutes per record this would take in excess of 61 hours to provide.

It is estimated that the cost of providing / locating the information you seek within your request, would exceed the time threshold. When a reasonable estimate has been made that the appropriate limit would be exceeded, there are no requirements for a public authority to undertake the work.

Please see Appendix A, for the full legislative explanation as to why West Yorkshire Police are unable to provide the information.

If you would like to refine or narrow the scope of your request, West Yorkshire Police will assist you in negotiating the possibility of the provisions, of the information requested. Please see the Advice and Assistance, under Section 16 of Appendix A.

Appendix A

The Freedom of Information Act 2000 creates a statutory right of access to information held by public Authorities. A public authority in receipt of a request must, if permitted, state under Section 1(a) of the Act, whether it holds the requested information. If held then this information will be communicated to the applicant under Section 1(b) of the Act.

The right of access to information is not without exception and is subject to a number of exemptions. Which are designed to enable public authorities to withhold information that is unsuitable for release.

Importantly the Act is designed to place information into the public domain, that is, once access to information is granted to one person under the Act, it is then considered public information and must be communicated to any individual should a request be received.

DECISION

This letter serves as a Refusal Notice under Section 17 of the Freedom of Information Act 2000.

Section 17 of the Act provides:

(1) A public authority which, in relation to any request for information, is to any extent relying on a claim that information is exempt information must, within the time for complying with Section 1(1), given to the applicant a notice which:-

- (a) States the fact,
- (b) Specifies the exemption in question, and
- (c) States (if that would not otherwise be apparent) why the exemption applies.

REASONS FOR DECISION

The reason that we are unable to provide you with this information is covered by the following Exemptions:

Section 12 - Where the cost of compliance exceeds the appropriate limit

West Yorkshire Police can confirm that we hold the information you seek, however it is not held in an easily retrievable format.

For the period requested there were 245 dogs seized as banned breeds, in order to establish whether or not they were in fact 'typed' would involve a manual trawl of all records. At an estimate of 15 minutes per record this would take in excess of 61 hours to provide.

It has been estimated that the cost of providing you with this information is above the amount to which we are legally required to respond i.e. the cost of locating and retrieving the information exceeds the 'appropriate level' as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004, which currently stands at £450 worth of work.

Our ACPO guidance states that we do not issue fees notices and therefore in accordance with the Freedom of Information Act 2000, this letter acts as a Refusal Notice.

West Yorkshire Police have utilised Section 12, which states "A public authority does not have to comply with a request for information if the cost of compliance exceeds the appropriate limit", this is further affirmed by the Decision Notice issued by the Information Commissioner's Office (Reference: FS50143930), and Guidance issued by the Information Commissioner's Office on Using the Fees Regulations.
