Request	Admissions statistics on the msc Mcf in the previous years and if possible, the universities attended by applicants

Dear Aran,

I write in reply to your email requesting the information detailed above.

The data we can provide is included in the attached workbook.

The University's centrally collated data records application and offer numbers, which we have provided for the last three application cycles.

We have also provided a full list of recent institutes of study and offer rates for the most frequent recent institutes of study, those where the number of applicants is 6 or higher. To protect the privacy of individual applicant, however, we can only specify offer numbers precisely where they are four or greater.

Yours sincerely
