## **Our Reply**

We are writing to advise you that the time limit for responding to your request for information which was received on 24 January 2016 needs to be extended.

It is occasionally necessary to extend the 20 working day time limit for issuing a response. In the case of your request, we need to extend the time limit because the information requested must be considered under one/or more of the exemptions to which the public interest test applies. This extra time is needed in order to make a determination as to the public interest.

Accordingly, we hope to let you have a response by 18 March 2016.

If you have any queries about this letter please contact us on [Technology Freedom of Information Mailbox](#), quoting the above reference number.

Yours sincerely,

## **DWP Central Fol Team**
