2016/723 – DBS Checks

In response to your recent request for information regarding;

I was wondering if there is any delays with DBS checks at the moment and how many you have to check at present. Also how long does it usually take this police force to check DBS applications?

We are currently up-to-date to with checks but there are always a couple that are delayed due to further enquiries. There are currently 1393 checks that we are progressing, and as of June we were closing at 94% dealt with within 15 days.
