Dear Mr Lander,

Thank you for your Freedom of Information (FOI) request received on the 16th of May 2023. Your request has been handled under the FOI Act 2000.

Your request for information was as follows:

The Disclosure and Barring service have previously provided a dataset 3 which indicated volumes across RBs. I would like an updated copy of DBS Dataset 3.

Response

The Disclosure and Barring Service (DBS) helps employers make safer recruitment decisions each year by processing and issuing DBS checks for England, Wales, the Channel Islands, and the Isle of Man. DBS also maintains the adults' and children's Barred Lists and makes considered safeguarding decisions as to whether an individual should be included on one or both lists and barred from engaging in regulated activity.

Section 21 of the Freedom of Information Act 2000 (FOIA) allows us to direct you to information already reasonably accessible in the public domain to answer your request.

The following web link for 'Dataset 1' contains a spread sheet that includes the volumes submitted by Registered Bodies under the tab entitled 'Registered Body Receipts' for the financial year April 2022 – March 2023.
