Dear Mr Sittampalam,

Freedom of Information Act Request – F0016082

I am writing in regard to your Freedom of Information (FOI) request of 25 May 2018, in which you requested the following information:

Please can I have a copy of all correspondence with GTR about the operation of the Delay Repay scheme?

I will be unable to proceed with your request without clarification of the information you wish to receive.

I would like to know whether you are requesting copies of correspondence between the Department for Transport (DfT) and Govia Thameslink Railway (GTR) which discuss how the Delay Repay scheme has operated since its implementation or; copies of correspondence between the DfT and GTR concerning the various commercial contracts and other operational-related documents which relate to the negotiations and implementation of the Delay Repay scheme prior to it starting.

Please note that if I do not receive appropriate clarification of your information requirements within three months from the date of this letter, then I will consider your request closed.

If you wish to discuss any of the above, please contact me. Please remember to quote the reference number above in any future communications.

Yours sincerely

Michael Evans
