MSc Tissue Engineering Interview Scoring Sheet

Applicant:

Interviewer:

	Excellent 5	Good 4	Fair 3	Needs improvement 2	Poor 1
Knowledge of Cardiff University, the course and subject area					
Academic aptitude					
Communication skills/ability to answer questions coherently and concisely					
Enthusiasm and interest in subject area					
Previous experience/ academic background					
Reason for applying to course					

Total = /30

Question Template for Interview: MSc IN IMPLANTOLOGY

Name:

Date:

Identity Check:

(Passport Photo to be included in Interview Paperwork)

IELTS Score:

(Needs to be IELTS of 7 taken within 2 years of course entry)

Qualifications:

References:

(2 references must be attached and signed)

Thanks for applying to Cardiff School of Dentistry and for accepting this interview.

Question	Response	Interviewer Comments including knowledge, skill and language ability
Can you let me know what work experiences/training you have had since graduation – in other words your general professional training. Ensure that applicant has worked in a setting for 2 years (some candidates have not actually completed 2 years as they have attended courses/maternity leave etc).		
Can you clarify what clinical experience you have had and what formal clinical training you have received since graduation.		
How have you maintained and improved your knowledge since graduation?		
Can you get access to the literature/journals?		

What reading have you undertaken?		
What hands-on or lecture programmes/courses have you attended?		
Did you have a chance to undertake any research in your UG Programme or subsequently?		
Have you had any experience of scientific writing?		
Why do you want to specialise and why Implantology?		
Do you understand the nature and details of the Programme.		
Why apply to Cardiff?		
What are your future career goals?		
Do you have any questions for us.
