Please be advised that, the college has replaced figures below 5 with <5, in accordance with s.40 of the Freedom of Information Act 2000, which relates to personal information. This is because the College is of the view that, the actual figure is so low that, it would be possible to identify these students and applicants without their consent. As such, the college would be in breach of data protection principles.

This completes the university's response to your information request.
