Dear Mr Price

FREEDOM OF INFORMATION REQUEST NO: 299.2015-16

I write further to your email dated the 27th March 2016

I understand my colleague has provided you with a response to your internal review. I am processing your second request, FOI 1269.2015-16, and will be in touch with you in due course in respect of that response.

In the meantime, however, I just wish to address the issues raised in your most recent email.

Firstly, in respect of the date that your request reference 299.2015-16 was finalised. The draft response was approved in January 2016, but this was not sent until the 9th March 2016.

As I have explained previously, although the request was finalised, unfortunately I overlooked that it was ready to be sent out, which is why there was a delay in getting the completed response to you. I have explained that the administrative staff you name in previous emails have no responsibility for this.

Once again I apologise for the delay in your request, and I will be in touch in due course in respect of request reference 1269.2015-16.

Kind Regards

Yours sincerely
