28 April 2011

Dear Mr Smith

Thank you for your email of 21 April 2011 (21:39).

The Tribunal does not collate data concerning the number of tribunal hearings each member has sat on in each financial year. The Tribunal will not seek to collate this data in response to your request.

However, for its own information, the Tribunal has collated data concerning the number of tribunals each member has sat on for the period of 12 months ending on 31 October 2010. I attach a spreadsheet containing that data.

Yours sincerely

Agnes Ferrie
Business Support
