Hi Ndai

I'm sorry to land this on your desk. I missed it before I went away on leave and the deadline is fast approaching.

Could you send Fran copies of any direct e-mail correspondence you have personally had with the council about the planning application since the start of the pre-application process. I'm assuming this will primarily be with Ronny Ferley, but please do also include any other officers you can think of. A full e-mail chain is fine - you don't need to send the individual e-mails contained in the chain as separate attachments.

I'll copy you in on what I send through for information.

Thanks

Alex

Hello Neil,

We have received the FOI request below regarding Marble Hill House. Would you be able to advise us who it is best to contact in order to obtain the various documents and financial information requested?

As always, nothing would be released without prior consultation but we do need to have sight of any relevant documentation in order to apply any appropriate exemptions or exceptions.

Any advice would be much appreciated.

Many thanks,

Ann
