

Transformation of Social Care

Sarah Shatwell and Lesley Hutchinson
Commissioning Managers for Social
Care Transformation

Making Bath & North East Somerset an **even** better place to live, work & visit

Putting People First

- » Vision based on Our Health, Our Care, Our Say principles
- » Government commitment to fundamental system change
- » Ethos of self determination and achievement of individual potential
- » Movement towards independent living
- » Foundations are leadership, partnership, quality and shared outcomes

Making Bath & North East Somerset an **even** better place to live, work & visit

Vision

» Key elements

- » Strategic shift to early intervention, prevention & enablement
 - » Consideration of FACs
- » Developing and rolling out the personalisation agenda
 - » Individual Budgets, Direct Payments, Brokerage

Making Bath & North East Somerset an **even** better place to live, work & visit

Putting People at the Centre

Making Bath & North East Somerset an **even** better place to live, work & visit
