Minutes

Item:	Item/Action/Instruction:	Action (initial)
	<p>pinch point bid for the Tower Road junction was now on hold. Central Authority may have access to sub funding for Kelvin Road / Tower Road junction.</p> <p>set out the current and Proposed works</p> <ul style="list-style-type: none"> • Works proposed by for traffic calming on Wheatland Lane outside school and a refuge island proposed on the Bridge north of St Pauls Road. • Highlighted importance of carrying out footway and carriageway refurbishment works on Hose Side Road by the end of this year. • Grove Road / Roloston junction signal upgrade and resurfacing • Liscard Road and Mainwaring – plain inlay from Lumley Road to Church Street • Church Street to Liscard High Street – surface dressing • Seaview Road (Wallasey Road to Burns Avenue) – surface dressing • Burns Avenue to Asda carriageway also in need of attention • St Pauls Road – patching work • Victoria Road resurfaced this year. <p>Happy with proposals on Warren Drive</p> <p>Bolt on kerbs would be the preferred option as to not dig into the carriageway especially as concrete is present in a number of the roads, e.g. Liscard Road outside shops by Rivington Road, Grove Road, Hose Side Road, Seaview Road, St Pauls Road (original mastic).</p> <p>Only known Drainage issue is the Asda Roundabout with a potential blocked gully.</p> <p>to look into the ownership of the Scout Hut and the land used for vehicles to park on Shore Road section of the proposals.</p>	

■ – Tramway and land around the tracks to be protected as part of potential future aspirations for mass transit, Phase 1 Street Car.
