Dear P Smith

Environmental Information Regulations Request – Devizes Wharf

Thank you for your request for information dated 14 September 2017, in which you asked for the following information:

On 12th, 14th and 18th September Wiltshire Council held or will hold consultation events regarding plans for extensive development at Devizes Wharf. For the benefit of those who are unable to attend these events, please provide all recorded information held by the Council regarding these plans.

Please also provide the name, email address, postal address and telephone number of the Council officer to whom comments regarding the plans should be addressed.

Your request has been processed under the Environmental Information Regulations 2004 (EIR). Under the EIR the Council is obliged to make information available to the public by publication or when requested.

In accordance with regulation 5(1) of EIR, please find attached the presentation delivered to the Area Board together with information relating to the development at Devizes Wharf.

The Devizes Wharf project has focussed on understanding the existing character area and uses of the Wharf. Stakeholder and public consultation has been undertaken to establish landowner and business operator intentions.

Development options as shown in the presentation have been created to test commercial viability as an essential part of understanding the area's potential. Other material displays the type of developments that may be considered appropriate. It should be noted that these options should not be regarded as plans to be implemented.

The officer contact for this project is Rory Bowen, Senior Development Officer, Commercial Development, Economic Development and Planning and can be contacted via email at rory.bowen@wiltshire.gov.uk or by telephone 01225 713433.

Information supplied under the EIR may be subject to copyright protection under the Copyright, Designs and Patents Act 1988. You can use the information provided in response to your request under the terms of the [Open Government Licence](#).

If you are dissatisfied with the above response you have a right to request a review of your request for information. Details of the complaints and review procedure are appended to this letter.

Yours sincerely
