Devon County Council's response is provided below in **bold** text:

Request

You recently kindly provided me with useful information about the fees you pay to Leonard Cheshire Disability (LCD) and to other providers for social care, and what representations (if any) LCD has made to your council to increase fees paid by yourselves to LCD in order to enable LCD to pay its carers the Living Wage.

Luton council has indicated that since I made the above Freedom of Information Request to yourselves, they have received correspondence from LCD opening up discussion on the fees paid to LCD to enable LCD to pay the living wage.

I wonder if you could please inform me as to whether you have indeed received such correspondence from LCD. Further, could you please provide me with a copy of the correspondence (or, to be technically correct under the FOI Act, could you provide me with the information contained in the correspondence, preferably in the form of a copy of the actual correspondence.)

Devon County Council are not aware of having received any correspondence from Leonard Cheshire Disability (LCD) in relation to the living wage.

If you wish to speak with someone regarding the above request, please contact the Information Governance Team on 01392 383445 or email accesstoinformation-mailbox@devon.gov.uk
