Dear Mr Tatum,

Re: DfI Roads Term Contract for School Safety, 20mph Zone and Vehicle Activated Signs

Thank you for your email dated 2 April 2024 requesting, under the Freedom of Information Act (FOI), the following information held by the Department:

- What are the contractual performance KPI's for this contract?
- Suppliers who applied for inclusion on each framework/contract and were successful & not successful at the PQQ & ITT stages
- Actual spend on this contract/framework (and any sub lots), from the start of the contract to the current date
- Start date & duration of framework/contract?
- Could you please provide a copy of the service/product specification given to all bidders for when this contract was last advertised?
- Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?
- Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?
- Who is the senior officer (outside of procurement) responsible for this contract?

In considering your request on behalf of the Department I have determined that the information requested falls under the aegis of the Environmental Information Regulations 2004, as opposed to the FOI Act 2000. Section 39 of the Freedom of Information Act specifically excludes from consideration under that Act requests for

what is deemed to be environmental information. EIR gives rights of public access environmental information held by public authorities.

A guide explaining the Environmental Information Regulations can be found at:

<https://ico.org.uk/for-organisations/foi-eir-and-access-to-information/guide-to-the-environmental-information-regulations/>.

In response to your request, I can confirm that the Department does hold information relating to your request and, being suitable for disclosure, I attach the information held by DfI as ANNEX 1.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Head of Information Management Unit
DfI Information Management Unit
Clarence Court
10-18, Adelaide Street
Belfast
BT2 8GB
dfiimu@infrastructure-ni.gov.uk

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner's Office can be contacted at:

Information Commissioner's Office,
Wycliffe House,
Water Lane,
Wilmslow,

The supply of information under the Environmental Information Regulations does not give the recipient or organisation that receives it the automatic right to reuse it in any way that would infringe copyright. This includes, for example, making multiple copies, publishing or issuing copies to the public. Permission to re-use the information must be obtained in advance from the Controller of HMSO who has responsibility for the licensing of Crown Copyright material.
