Dear Amy

Sandy and I discussed this afternoon and a reply is being prepared, hopefully by end of this week.

Dear Sandy/Tom/Julia,

I would be grateful if you can advise as to the current status of your departments' response to the attached request. Diane Gillespie had advised that the request had been forwarded onto you and that you would be providing a response. The response date of 02 August 2012 has now passed and the FOI Office does not appear to have received a response or a request for an extension. The response is due with the applicant on 23 August 2012.

Thanks for your help.
